

CRC BRAKLEEN® BRAKE PARTS CLEANER

THE EVOLUTION OF AN ICON

Since its launch in 1971, Brākleen® has been the world's leading aerosol brake parts cleaner. Today, CRC's reformulated, patent-pending solution delivers the same industry-leading cleaning power professionals have come to rely on while adhering to new regulatory requirements. As an evolution of our most iconic product, Brākleen® now lets pros anywhere in the U.S. achieve the same level of fast, effective brake cleaning performance.

For when non-flammable is non-negotiable
Gives professionals a non-flammable option while delivering the performance they expect.

Available everywhere
With 50-state availability, Brākleen® is now available wherever professionals need it.

Keeps brakes in top shape
The fast drying, residue-free formula can help improve the performance and increase the longevity of brake system components.

Breaks through grease, grime and red tape
Destroys grease on contact with a Low-VOC formula that meets today's regulatory requirements.

Use on all brake systems, including:

- ABS
- Brake Cylinders
- Brake Drums
- Brake Linings
- Brake Shoes
- Calipers
- Clutch Discs
- Disc Brake Pads
- Springs & Wedge Brakes
