

CRC THROTTLE BODY & AIR-INTAKE CLEANER

Revitalize your engine's performance.

CRC Throttle Body & Air-Intake Cleaner is your solution for tackling stubborn carbon, varnish, and gum build-up. As the top choice for cleaning throttle body build-up, it's safe for use in all fuel-injection system gasoline engines, whether throttle body, multi-port, or GDI. This cleaner is not only quick and easy to use but also delivers easier starts and smoother performance, ensuring your engine runs like new.

USE ON

▲ Fuel Injected Gasoline Engines (Throttle Body, Multi-Port, or GDI)

- ▲ Effective Cleaning: Specifically formulated to remove carbon, varnish, and gum build-up from throttle bodies and throttle body bores
- ▲ Improved Fuel Economy: Helps restore lost fuel efficiency by cleaning throttle body build-up
- ▲ Smoother Performance: Reduces rough idling and stalling, ensuring your engine runs smoothly
- ▲ Easier Starts: Promotes easier engine starts, reducing the strain on your vehicle
- ▲ Enhanced Reliability: Prevents engine issues that can trigger the check engine light
