

# CRC Power Lube® High Performance Lubricant with Ceramic

Give your equipment the power of ceramic protection.

CRC Power Lube® HP Lubricant with Ceramic delivers long-lasting lubrication and advanced protection for metal parts operating under demanding conditions. Featuring innovative ceramic technology, this high-performance lubricant forms a durable, low-friction barrier that helps reduce wear, minimize metal-to-metal contact, and extend equipment life. It delivers double the strength of typical lubricants (4,500 lbs. Falex rating) and holds strong up to 300°F. Ideal for extreme load-carrying situations, CRC Power Lube® with Ceramic keeps moving parts operating smoothly, quietly, and efficiently.

## Features & Benefits:

- **Advanced Ceramic Technology:** Forms a durable, low-friction lubricating barrier that helps reduce wear and extend the life of moving parts.
- **Long-Lasting Lubrication:** Provides extended performance under demanding operating conditions, helping reduce the need for frequent reapplication.
- **Excellent Wear Protection:** Helps minimize metal-to-metal contact, reducing friction and protecting components from premature wear.
- **Improves Equipment Reliability:** Helps keep machinery and mechanical systems operating smoothly, reducing downtime and supporting preventive maintenance programs.

## Use On:

- |            |               |                 |          |
|------------|---------------|-----------------|----------|
| • Bearings | • Guide Bars  | • Cutting Tools | • Hoists |
| • Gears    | • Pulleys     | • Taps          | • Lifts  |
| • Linkages | • Cams        | • Dies          | • Doors  |
| • Motors   | • Valves      | • Pistons       | • Fans   |
| • Chains   | • Ball Joints | • Handling      |          |
| • Cables   | • Hinges      | Equipment       |          |
| • Rollers  | • Slides      | • Conveyors     |          |

| PART NO. | CASE/ORDER# | PACKAGE | NET WT. | UNITS PER CASE |
|----------|-------------|---------|---------|----------------|
| 03045    | 1003303     | Aerosol | 11 oz   | 12             |
