## CRC 6-56® Multi-Purpose Lubricant

### Take on the harshest conditions with 6-56®

This superior lubricant resists water and salt spray, driving out moisture that can cause electrical failures and hard starts. Its powerful formula penetrates deep through rust and corrosion to free frozen parts, ensuring smooth operation when you need it most. Built tough to start wet engines and keep them running strong, 6-56® is your go-to defense against the elements.

#### Features:

- **Water & Salt Spray Resistance:** Designed for harsh marine and outdoor environments.
- **Moisture-Displacing Action:** Drives out water to prevent electrical failures and hard starts.
- **Extends Equipment Life:** Prevents corrosion and keeps parts moving freely.
- **Long-Lasting Lubrication:** Superior formula for extended protection.

#### Use On:

- Fishing Reels
- Pulleys and Winches
- Starts Wet Engines
- As a Corrosion Inhibitor
- Metal Components
- Frees Rusted Parts
