

INDUSTRIAL

CRC Chain and Wire Rope Lubricant

Maximum protection for chains and wire rope.

This advanced formula combines synthetic lubricants, powerful solvents, and Molybdenum to deliver unmatched protection and performance. Designed to penetrate deep into links and strands, it reduces friction, prevents wear, and resists corrosion—keeping your equipment in peak operating condition even under the toughest demands. Ideal for industrial and heavy-duty applications, this premium blend ensures longer life, smoother operation, and maximum reliability.

Features & Benefits:

- **Extends equipment life:** Minimizes wear and tear for longer service.
- **Improves reliability:** Ensures chains and wire rope stay in peak condition.
- **Reduces downtime:** Smooth operation means fewer maintenance interruptions.
- **Resists corrosion :** Protects against rust and harsh environments
- **Performs under pressure:** Maintains strength and lubrication in tough conditions.

Use On:

- Low Speed Conveyor
- Drive Chains
- Hoists
- Winches
- Pulleys
- Cushion Pins
- Rollers
- Garage Doors
- Bushings
- Seals
- O-Rings
- Come-Alongs
