## CRC Contact Cleaner 2000® Precision Cleaner

### The strongest clean for your most critical connections.

Engineered as a next-generation solution, CRC Contact Cleaner 2000® delivers the most powerful cleaning performance available for electronic contacts. With rapid evaporation, zero residue, and no flash point, Contact Cleaner 2000® ensures efficient cleaning without compromising reliability. If superior performance is what you need, this is the cleaner that sets the standard.

#### Features & Benefits:

- **Protects equipment performance:** Residue-free formula prevents contamination and ensures optimal conductivity.
- **Quick turnaround:** Fast evaporation means less waiting and more productivity.
- **Reliable for precision applications:** Perfect for electrical contacts, switches, and components.
- **No flash point.**
- **NSF H2 Registered:** For use in meat and poultry plants.

#### Use On:

- Telephones
- PCs
- Relays
- Edge Connectors
- Tape Heads
- Busbars
- Circuits
- Contacts
- Printed Circuit Boards
- Switches
- Breakers
- Not recommended for use on Lexan®, Noryl®, or Polycarbonate-Type Plastics
