BRĀKLEEN® BRAKE PARTS CLEANER, THE CAN THAT STARTED EVERYTHING

The Original Aerosol Brake Parts Cleaner

Realizing how important cleaning brakes is for the safety of those depending on vehicles and equipment, CRC created the Original Aerosol Brake Parts Cleaner, CRC Brākleen®. For decades, The Original Aerosol Brake Parts Cleaner has been the first choice of millions of pros and DIYers around the world. Engineered to remove brake dust, brake fluid, grease, and you name it from brake parts without the need for disassembly, its performance is still superior.

The Original Brākleen® Formula

The original chlorinated, non-flammable formula quickly removes brake dust, brake fluid, grease and other contaminants from all types of brake systems including ABS. Superior cleaning and fast evaporation. Leaves no residue.

THE FASTER-DRYING, HIGH-PERFORMING NON-CHLORINATED BRAKE CLEANER

The Best No Matter Where You Are

We have taken it upon ourselves to provide superior brake maintenance products no matter where you are. The superior performance comes in our standard cans, and is boosted even further in our Pro Series line that features a larger can and a PowerJet® Spray Nozzle that sprays with even more force—blasting away contaminants from your brake system.

Strongest Formula

Now even stronger. Get the strongest cleaning performance in a non-chlorinated formula. Use in these states where facilities require chlorine-free solvents and VOC limits are not regulated.

BRĀKLEEN® FOAMING BRAKE WASH, THE WASH THAT REDEFINES BRAKE CLEANING

Our New Powerful Water-Based Formula

The new patent-pending CRC Brākleen® Foaming Brake Wash builds upon our legacy of brake cleaning innovation. This non-flammable, non-chlorinated formula is approved for use in all 50 states. How can that be? This product is water-based and low VOC, but don't expect less performance. This game-changing formula is stronger than other brake cleaners that are 10% VOC or lower. And we didn't stop there. Because the powerful foaming formula does all the work, you can get up to 3X more cleaning power from every can. All you have to do is wipe or blow it dry to finish the job. Use less, and do more with CRC Brākleen® Foaming Brake Wash.
