## Sta-Lube® Sta-Plex™ EP Premium Red Grease

### Protection for extreme conditions.

This multi-purpose lithium complex grease is engineered to withstand extreme pressures and wide temperature ranges, making it ideal for demanding automotive and industrial applications. Formulated with anti-oxidation, anti-rust, and anti-wear additives, STA-PLEX® delivers superior protection against friction, corrosion, and premature wear—keeping your equipment running longer and stronger.

#### Features & Benefits:

- **High-Temperature Performance:** Maintains lubricating properties in demanding environments like machining, electric motors, and heavy-duty machinery.
- **Working Temperature Range:** -10°F to 325°F.
- **Extended Equipment Life:** Reduces wear and oxidation, minimizing downtime and maintenance costs.
- **Versatility:** Ideal for automotive, industrial, agricultural, and off-road applications.
- **Durability Under Stress:** Handles severe loads and extreme pressure conditions without breakdown.
- **Reduced Grease Loss:** Tackiness and water resistance prevent grease from being displaced during operation.

#### Use On:

- Industrial Mining
- Metal Production
- Machining
- Pumps
- Electric Motors
- Ball & Roller Bearings
- Assembly Plants
- Trucks
- Automobiles
- Buses
- Construction Equipment
- Off-Road Operations

| PART NO. | CASE/ORDER# | PACKAGE   | NET WT. | UNITS PER CASE |
|----------|-------------|-----------|---------|----------------|
| SL3190   | 1007889     | Cartridge | 14 oz   | 10             |
| SL3191   | 1007891     | Can       | 14 oz   | 12             |
| SL3195   | SL3195      | Pail      | 35 lbs  | 1              |
