

CRC WELD-AID® NON-FLAMMABLE ANTI-SPATTER

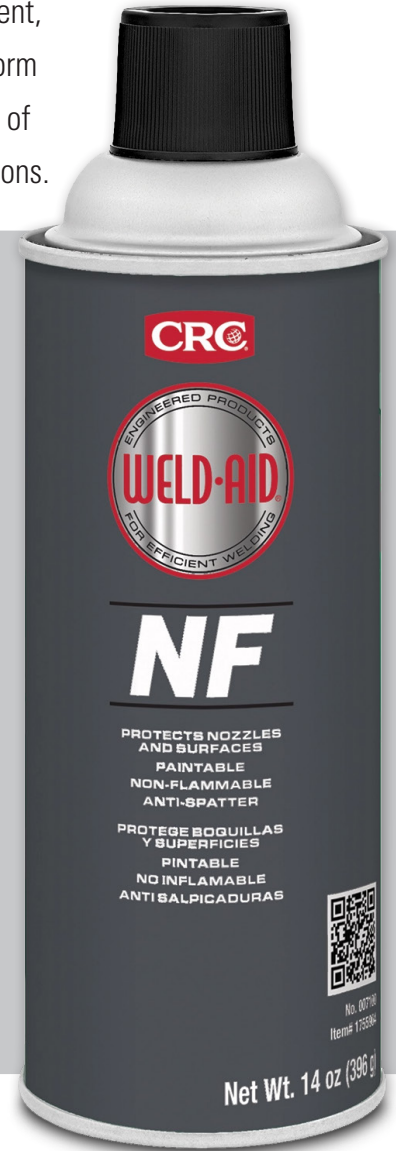

Clean, hassle-free welding.

This innovative product forms a protective barrier on tools, nozzles, workpieces, and equipment, ensuring spatter doesn't stick and making cleanup a breeze. Our formula is designed to perform exceptionally well in environments with open flames or high temperatures, giving you peace of mind and superior results. Plus, it's silicone-free, making it safe for a wide range of applications.

USE ON

- ▲ Fixtures
- ▲ Nozzles and Tips
- ▲ Work Surfaces and Areas
- ▲ Tools, Electrode Holders
- ▲ Metal Molds, Clamps, Jigs
- ▲ Bench Splash Guards
- ▲ ... and anywhere spatter can adhere

- ▲ Specifically formulated for environments where open flames or high temperatures are common
- ▲ Aerosol application makes it easy to use
- ▲ Non-flammable
- ▲ Contains no silicone - less contamination issues
- ▲ Paintable - allows for easy application of protective coatings
