

## Chain Lube

CRC Chain Lube is an advanced, high-performance, synthetic lubricant providing excellent protection for chains, open gears and exposed metal surfaces subject to severe loading.

**Sprays on like a liquid to penetrate deep; sets up like a grease for outstanding load-bearing protection**

- Advanced anti-wear additives provide excellent protection for metal surfaces subject to severe loading
- Waterproof formula bonds to chain and wear surfaces
- Prevents corrosion, reduces load stress and extends chain life by reducing friction and wear that cause metal fatigue

- ▲ Safe on O-rings, X-rings and Z-rings
- ▲ Works excellent in wet conditions
- ▲ Won't fling off or wash out
- ▲ Dries fast; won't attract dirt
- ▲ Extends chain life
- ▲ Low odor
- ▲ Clean appearance

### Extends Chain Life

Use as a lubricant and corrosion inhibitor on all types of drive chains, open gears, hoists, winches, pulleys, fork lifts, rollers, garage doors, bushings, seals, O-rings, X-rings, Z-rings and wire ropes.

Not for use in CA

Part No.	Package Type	Net Wt.	Units/Case
05012	Aerosol Can	10 oz.	12
Unit Dimensions		Case Dimensions	
7.75"H x 2.63"W x 2.63"D		8.1"H x 8.3"W x 11.1"D	

This product is extremely flammable. Do not apply while equipment is energized.
