

Lectra Lube™ Electric Motor Grease

Lectra Lube™ is a premium long-life grease with excellent thermal stability. This grease has excellent water resistance and will not washout. It maintains its consistency under severe working conditions and resists oxidation.

Benefits:

- Excellent Extreme Pressure properties
- Very good oxidation and rust protection
- Outstanding high temperature properties
- Good water resistance
- Works under severe, heavy and shock load conditions
- Effective service in high temperature settings
- Provides effective lubrication for an extended period of time
- Does not washout under water ingress conditions

The preferred choice for filled-for-life applications

Lectra Lube™ Electric Motor Grease

Lectra Lube™ has an excellent additive package enabling it to be used in severe applications as well as having extreme pressure properties. It has the ability to be used at elevated temperatures while maintaining its structure.

CRC Part #	Container Size	Base Type	NLGI Rating
SL3586	14 oz cartridge	Polyurea	#2

Typical Characteristics		Method
Color	Blue	Visual
Texture	Smooth, homogeneous	Visual
Thickener Type	Polyurea	-
Drop Point, °F	500 Min.	ASTM D 2265
Viscosity @ 40 °C, cST	145	ASTM D 445
Weld Load, kg	500 Min.	ASTM D 2596
Timken OK Load, lbs	50	ASTM D 2509
Rust Test	Pass	ASTM D 1743
Water Washout, 175 °F, % wt.	5.0% Max.	ASTM D 1264
Water Spray off, % wt.	20.0% Max.	ASTM D 4049
